

Description

This modern and efficient aluminium radiator is available from stock in four heights and multiple widths. Besides a standard RAL9010 white, there are also 25 standard RAL Colours (please note: colour finishes may require up to 15 days to deliver). Recently introduced, there is also the option of 32 special finishes. The versatility of the Chic with its great outputs means there is a radiator to meet almost any situation.

The Chic model is supplied with matching end panels that create a flush, smooth appearance to the radiator and accentuate the clean lines.
